

No Money? No Problem! Creating Learning Opportunities with Household Materials

A FREE webinar for Providers & Specialists

Want to learn more about how you can use household materials to plan engaging learning activities?

Need to make sure the activities you plan meet the needs of a mixed-age group?

Then ... plan to join Gee Whiz for our next webinar!

During this VERY interactive webinar, you will explore how you can:

- Choose household materials that can be used as teaching materials
- Plan activities that utilize household materials & address many developmental areas
- Adapt one activity to meet the needs of different developmental levels
- Evaluate household materials for safety

Date: Tuesday - November 9, 2021
